

NAVIANCE

And all that it does.

What is Naviance?

Naviance is a comprehensive K-12 college and career readiness tool that helps districts and schools align student strengths and interests to college and career goals, improving student outcomes and connecting learning to life.

Students will be able to map out life in high school and start planning for whatever comes next.

What is an ICAP?

ICAPs create a vision of what a student would like to do in the world after high school. This could mean identifying a career cluster (grouping of careers) that interests them, or a specific career, and then linking what they are interested in doing in the world of work with courses, extracurricular activities and postsecondary plans.

ICAPs are required for graduation in the state of Colorado

To complete mandatory ICAP requirements

Weld Re3j School district has brought in a computer system called

Naviance

What can we do in Naviance?

Re3j school district is contracted with Naviance until 2021. We have a 7 year plan and with the amount of data Naviance you will all quickly fall in love with it.

Inside of Naviance you will find information about...

- Scholarships
- Scattergrams
- College Information
- ICAPs
- Future Planning
- Schedule Building
- Career Interest

Naviance creates lists that then in turn allow staff to group students by where and if they want to apply to college, potential future career interests, and so much more.

Breakdown of each year for required ICAP...

FRESHMAN

- Academic/Personal Goal

What else can it do?

- Teacher Letters of Recommendation
 - Order Transcripts
 - Personality Assessments
 - FREE ACT and SAT test prep
 - Watch over 3,000 interviews with people who are leaders in their career fields and get advice from them
-

Letters of Recommendation:

Students will be asked to talk to teachers face to face as well as provide them with a form giving additional information about themselves to help them best write letters. Once students submit requests in Naviance the teacher can submit their letter and it will automatically be sent directly to the school of choice that the student has indicated.

Transcripts:

Students can fill out applications and request transcript information be sent to their schools via Naviance as well.

Both of these requests are under the COLLEGES tab. You will be able to see request and submission dates.
